

You want to start business with us?

Please send us an email:

export@brandtrading.com

under specification of your name, address and phone number so that we can get in touch with you.

Newsletter!

To be able to send you an offer list – customers receive this twice a month as an email newsletter – we need some specifications of your business (name, address, size) as well as a trade proof.

We look forward to business cooperation!

Always in motion!

Welcome to BrandTrading team!

We are a wholesaler for remnants/stocklots in the area of brand toiletries and household goods.

We market for well-known manufacturers their remnants and offer our customers a wide range of goods of daily demand for low purchase prices.

Take the chance, to revalue your range with branded goods and to be cheaper than the traditional retail trade. Our products are all customer highlights and very quickly in turnover.

Increase your sales with known branded goods and utilize the power of the brands for top prices, to expand your business successfully.

Our offer:

- Unbeatable wide range from all areas of brand toiletries, detergents and household goods (Cosmetics, personal care, washing, Cleaning, etc.). We provide chemist products from Head to toe, so you are able to offer a complete range!
- Our sales team can advise you (on site) and your regional circumstances will be considered.
- We have our own warehouse in Marxen and we can pack orders according to your requirements.
- All articles offered by BrandTrading are original branded articles from Germany. All articles are qualitatively flawless.
- For larger order volume, we offer special export prices which will be calculated based on every individual customers inquiry. The special prices are depending on the order volume and general terms.

Our terms:

- Our mentioned prices are based on the delivery terms: EXW Marxen/Germany. Our export customers collect their products at our location in Marxen. We recommend to check the availability before and also to arrange your desired collection date directly with our service team.
- Our export customers pay by advance payment.
- We only sell products with stock availability, these products are listed in our offer. Therefore not listed products, are not available from us.
- The bigger part of our range are stocklots. These are available, as long as the stock lasts. Intermediate sale reserved.
- We do not sell our products to the traditional retail trade in Germany nor to other countries!
